

17th INTERNATIONAL LUMINESCENCE AND ELECTRON SPIN RESONANCE DATING CONFERENCE (LED2023)

We are pleased to announce that LED2023 will take place from the

26th - 30th June 2023
DGI byen
Copenhagen

in the good old-fashioned “let-us-meet-in-person” style.

LED2023 will cover similar scientific themes to previous LED conferences and we hope to attract a large number of students and professionals working in the field of luminescence and ESR dating. We aim to provide a pleasant and stimulating environment for presentations and discussions.

The conference homepage will be launched soon and will provide further practical details regarding the conference.

Please send any queries or requests to LED2023@dtu.dk

We look forward to welcoming you in Copenhagen.

The organizing committee, DTU Physics
